

Market Report

Martin Livestock

February 13, 2023

We had a very strong market today here at Martin Livestock. We had four cow buyers in the stand with strong demand. Most cows were 80-86 with few young cows higher. The calf market also showed strong demand as calves were higher across the board. We had a good crowd and great cattle to sell. Next sale is February 20th with a weigh up sale and next feeder sale is Scheduled for March 13th expecting 1500 head. Contact Joe Waln to consign you cattle or visit about your marketing options (605)515-0257 or Fieldman Trent Byrne (605)454-0658.
