

### Market Report July 18,2022

As drought conditions worsen in parts of the country, we see more cattle moving through sale barns mainly in the south through oklahoma and texas. Bringing the market on these weigh ups softer from last sale. We saw majority of the cows bringing \$72.50-\$77.00, bulls were also softer as top bull was \$1.08. Our next sale will be August 1<sup>st</sup> with a weigh up special. We have our first yearling sale scheduled for August 15, if you have any cattle to market or want to visit about marketing you cattle please give Joe Waln a call (605)515-0257.
