

Martin Livestock
Market Report
May 15th 2023

With the great rain we had over the last week we had a great crowd in the stands, we had 4 cow buyers for our weigh up sale that was steady to stronger through all classes of cattle bringing 97-106 for high yielding cows. The pair market was hot with 24 hd of First calf heifer pairs bringing \$3400. We also hosted our first annual Martin Livestock Turn out bull sale, black angus bulls averaged \$4,300. Garrett Ward sold tag 635 for \$6750 for high selling bull. Next week we will have a special weigh up sale starting at 11 mst. Also our 2nd annual Martin Livestock Select Horse sale deadline is approaching June 15th. Contact Joe Waln at 605-515-0257 or Trent Byrne at 605-454-0658 for all you marketing needs.
