

Market Report

Martin Livestock

October 17 , 2022

We had a good crowd of buyers with demand steady. Calves looked good coming in off very dry pasture conditions. The weigh up market was steady to lower. Next week we will be offering 700 + calves along with a two complete dispersions of Bred Cows. Both sets of cows will be Black Angus Bred Black 3-7 years old, more info is on our website at www.martinlivestock.com or contact Joe Waln at 605-515-0257.

Report
